

## **Session 1 Activity – Scavenger hunt**

In your groups, the first person to find the following and bring it back to the screen gets a point:

Announce one at a time, e.g., paper towel roll / boots / jar of peanut butter / stuffed animal / bonus: live pet (be creative to fit the age level).

## **Session 2 Activity – Naming game**

Timer: how many countries can you name in 15 seconds?  
Animals? Go around and see who can do the most.

(Alternate version: Do the same, but in alphabetical order. If after 15 seconds the item in that letter cannot be named, that person is eliminated)
