

ANAHEIM YP PURSUIT

BUYING THE OIL

Session Two - Discussion Questions

A Time with the Lord (2)

1. What is the human concept when most people come to the Word? And what is the divine concept? Mention a few verse references that proves this divine concept.
2. What should be our intention when we come to read the Scriptures according to 1 Timothy 4:6b? And what should be our attitude?
3. Practice with your group echo pray-reading Psalm 119:103 for a couple minutes (is on the ministry portion sheet).

To practice echo pray-reading, one person reads a portion of the verse with a strong spirit and the rest can repeat and then a second person read the next portion and the others repeat. You can incorporate hand motions if necessary. And you go on until you finish the verse and everyone got enough oil for the day. This is a very good practice for Zoom meetings, facetime or any other online meetings. Eat! Enjoy! Be Filled!
